DSN/DSD practice-based diabetes education sessions for Swindon HCPs

Dear Colleagues,

On the top of current diabetes services are provided in the community specialist setting we are pleased to able to offer the following practice-based diabetes education sessions for health care professionals:

- 1) **Joint clinics** Diabetes Specialist Nurse/Practice Diabetes Nurses (next step in treatment, poor glycaemic control, difficult to engage patients etc), 45 min patient slots.
- 2) **Joint clinics** Diabetes Specialist Nurse/Practice Diabetes Nurses **for Insulin/GLP1 initiation and management** with an aim to up-skill PNs on insulin/injectables. 60min slots.
- 3) Dietetic led education sessions for the whole GP practice on **non-pharmacological treatments for Type 2 Diabetes**.

These sessions can be flexible, at a time and date to suit your needs.

GP practice to identify and organise booking of patients for joint clinics after confirming the date and time.

If you would like to book any of these sessions or would like more information, please contact Rose Wood, Community Diabetes Team Administrator on: rosemary.wood5@nhs.net or call us on: **01793 696621**.
